

HOPE FOR IRAN PLUNGED IN DARKNESS

AS FEAR, SORROW, DESPAIR GRIPS CHRISTIAN FAMILIES

Dear friend,

Israel's unprecedented attack on Iran sparked tensions in the Middle East. Inside Iran, panic and fear gripped the streets - followed by enthusiasm and hope. Hope for a regime change. Hope for a long awaited freedom from a brutal regime that held them captive for 46 years.

In the fragile days that followed, this hope was quashed.

Possible uprisers were quickly silenced. A campaign of terror aimed at crushing dissent moved fast. Hundreds of civilian's were arrested, accused of being spies for Israel. Death sentences and quick executions without trial reinforced the regime power.

Iranian authorities are on the hunt for all perceived collaborators of Israel or the USA.

At least 779 people were reportedly executed in the first half of 2025—more than double the number during the same period in 2024.

CHRISTIAN PERSECUTION INTENSIFIES

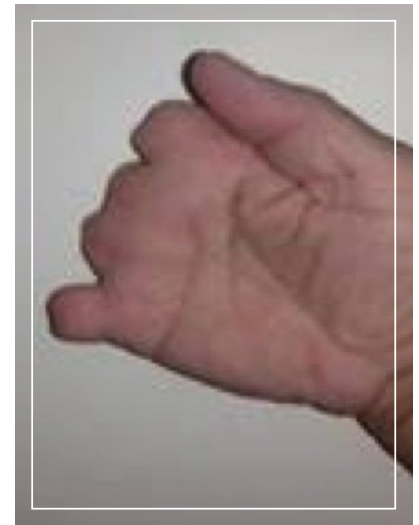

A new wave of intensified Christian persecution has been unleashed. Christians are being hunted, arrested and accused of being “Zionist” spies. Families are being torn apart. Children are left without parents.

Kaven and Roya, a young couple, were arrested for having 300 Bibles in their home. They are accused of being “Zionist Christians” and “spies” for USA and Israel. They have been beaten, tortured and threatened with execution. Their two small boys, Kamand (8) and Kourosh (12) are left parentless.

Ibrihim - Years ago, we shared the story of a 15-yr old boy arrested for stealing. His punishment – when he turns 18, his fingers will be cut off. As he awaited this dreaded day, Ibrihim took up needlework in the prison workshop. While searching for a pattern, he found a picture of a man surrounded by sheep, holding a lamb in his arms. Something in his heart stirred and he felt a special love in the face of this man. He wanted to know more about him. **In prison, Ibrihim learned about Jesus!**

In his loneliness and despair, knowing that soon he would lose his fingers, Ibrihim prayed that he would complete the picture of the “Good Shepherd” before the terrible day of punishment. He completed the picture and true to their word, his punishment was delivered. **Ibrihim’s fingers were cut off and he was released from prison.**

Unable to contain his love for Christ, Ibrihim testified about Jesus everywhere he could and became active in the underground church. He learned about ICNET Christian broadcasting and became a regular listener. His faith in Christ grew. Ibrihim wanted to say thank you to ICNET.

A SPECIAL GIFT WAS HAND-DELIVERED

One day, ICNET received a special hand delivered gift from Iran. It was an embroidered picture of the Good Shepherd!

It hangs on the studio wall, a reminder of how God’s love and grace found a young man through sorrow and despair.

With great sadness, I report that Ibrihim was recently arrested on charges of “spying for Israel” and being a “Zionist Christian.” He is in an undisclosed location.

Please pray for Ibrihim, Kaven and Roya and other imprisoned Christians in Iran.

We are deeply concerned for their life and safety in the hands of prison guards. Israel’s bombing has spurned and enraged a deeper hatred of Jews and “Zionist” Christians.

BEAMING CHRIST’S LIGHT INTO IRAN’S DARKNESS!

Fearing a political revolt, the Islamic regime has plunged the country into darkness – Internet darkness. Sporadic Internet shutdowns ensure information control. Communication inside and outside Iran is blocked as computers, cell phones and landlines cannot be used. People have limited, or no access to outside news or truth. **Pockets of time are open to doom in Islamic propaganda and fake news.**

In this critical time, Christians need our help. More than ever, they need to hear God’s Word of love and hope. Isolated, as the darkness of Islam and the heavy walls of the regime tighten around them, they need to know God hears their pleas...and that we can still reach them.

GOD’S WORD GETS THROUGH

ICNET satellite Christian broadcasting cannot be shut down. Satellite is a tool that penetrates the satanic walls of the Islamic Veil, just as it did the Iron Walls of communism. God’s truth cannot be stopped. **But we can’t do this alone!**

Your financial support helps us continue to broadcast God’s Word into Iran. Christians can listen to messages that strengthen their faith. Your gift of love will give them hope, and let them know, **we are on the other side of the Islamic Veil, praying.**

Please stand with us in support of Iranian Christians!

PS: Please pray for Ibrihim, Kaven and Roya and other imprisoned Christians in Iran. Also pray that we can bring aid to their families and the children who are now parentless.
